Plaintile Schools

Luton council specified Britmet Tileform on Tennyson Road Primary school, a 2200m² roof refurbishment, the existing roofs was in a poor condition and was prone to high levels of vandalism.

Luton council required a similar roof finish to the existing plain tile roof and a colour to match into the surrounding area, Britmet Tileform's Plaintile lightweight roofing system in the anti-vandal 0.9mm thickness in a bramble brown was specified. Each Plaintile is the equivalent to 7 traditional plain tiles and is fixed at 160mm batten gauges.
