

THE KINGFISHER

Product Outline:

Canopy package includes:

- Canopy
- Pre-fitted roof
- Install guide
- Seal and fixing kit
- Drill bit
- Screw bits
- Trusses
- Brackets
- Finials

Design

A simple white canopy (1253mm wide x 1223mm high x 608mm deep) made from hydro-carbon polymer.

The brackets are 600mmx600mm in a curved or straight design.

The trusses cover the 1040mm width across the front of the canopy, between the two brackets.

Finials are available in both decorative or pointed.

Materials

The canopy is manufactured using hydro-carbon polymers and the tiles are made from a recyclable blend of polymers and limestone.
